**ACCEPT A GRANT AWARD FROM
CALIFORNIA DEPARTMENT OF BOATING AND WATERWAYS
AND APPROVE AN APPROPRIATION ADJUSTMENT
(SECOND, THIRD, AND FOURTH DISTRICTS) (4 VOTES)**

SUBJECT

Request Board approval authorizing the Sheriff of Los Angeles County (County) to sign and accept a grant award in the amount of \$55,000 from the State of California, Department of Boating and Waterways (DBW). The purpose of this funding is to assist with enforcing all boating regulations within the harbor of Marina del Rey and the waters of Santa Monica Bay. This funding is for Fiscal Year (FY) 2010-11, commencing on September 1, 2010, and concluding on September 30, 2011.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the attached Resolution authorizing the Sheriff, as an agent for the County, to accept and execute Grant Award Agreement Number 10-204-767, including its certifications, in the amount of \$55,000 (no match requirement) from DBW for the Los Angeles County Sheriff's Department's (Department) Marina del Rey Station to continue their program within the Marina del Rey jurisdiction during FY 2010-11, commencing on September 1, 2010, and concluding on September 30, 2011, and to execute future amendments, modifications, extensions, grant renewals, and augmentations to said grant when necessary.
2. Delegate authority to the Sheriff to execute the grant award documents and all future amendments, modifications, extensions, grant renewals, and augmentations to said grant when necessary.
3. Approve an Appropriation Adjustment to increase the Department's Patrol Budget in the amount of \$55,000 (service and supplies) for FY 2010-11 to be offset by grant funding.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On September 1, 2010, DBW sent notification to the Department advising their selection of the Department's Marina del Rey Sheriff's Station to receive grant funding in the amount of \$55,000, with no matching funds, to assist with the purchase of miscellaneous equipment such as dewatering pump and case, lift bags and straps, personal safety flotation device jackets, hull repainting, electrical wire refurbishing, and boat deck replacement.

The focus of this grant is to assist Marina del Rey Sheriff's Station personnel with enforcing all boating regulations within the harbor of Marina del Rey and on the waters of Santa Monica Bay.

Implementation of Strategic Plan Goals

Approval of the recommended actions is consistent with the County's Strategic Plan, Goal 1, Operational Effectiveness, by providing quality public service in the Marina del Rey Harbor and on the waters of Santa Monica bay; and Goal 5, Public Safety, by ensuring that the committed efforts of the public safety partners continue to maintain and improve the safety and security of the people of the County.

FISCAL IMPACT/FINANCING

The \$55,000 in grant funding from DBW will allow the Department to continue the program until September 30, 2011. There is no match requirement.

An Appropriation Adjustment in the amount of \$55,000 (service and supplies) is requested to augment the Department's Patrol FY 2010-11 Budget and will be fully offset by grant funds. This Program will have no further fiscal impact.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Resolution has been approved as to form by County Counsel.

The term of the Grant Award Agreement is for 15 years. This is the sixth year the Department has received funding for this Program. Funding for FY 2010-11 will commence on September 1, 2010, and conclude on September 30, 2011. Under the terms of the Grant Award Agreement, all purchases must be made by June 30, 2011.

Under the Grant Award Agreement, the County waives all claims and recourse against DBW, including the right to contribution for any loss or damage arising from, growing out of, or in any way connected with or incident to the Grant Award Agreement. Also, County shall indemnify, defend, and save harmless the State of California, its officers, agents, and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm, or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of the Grant Award Agreement and from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by the County in the performance of the Grant Award Agreement.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This grant award will have a positive impact on the Department's current services, specifically the Marina del Rey Harbor and the Santa Monica Bay waters. This Program supports emergency dive services, boating accident investigations, and sunken vessel recoveries.

CONCLUSION

Upon Board approval, please return two individually certified copies of the adopted Board letter and one original executed copy of the Adopted Resolution to the Department's Grants Unit.

Sincerely,

LEROY D. BACA
